

PUBLIC SAFETY/INSTITUTIONAL PROGRAM

(Effective January 1, 2009)

Aqua Lung recognizes the needs of Public Safety Communities and Educational Institutions, and offers an organized program of discounts to its dealers.

A Public Safety & Institutional Price List is available that offers a **20% discount off of the 2009 retail price. Aqua Lung Dealers placing Public Safety & Institutional orders will receive a 20% off Dealer Price** (not level price).

These special discounts can be made available for either departmental purchase or individual purchasing equipment for use as a volunteer in direct connection to public safety is on a volunteer dive team in direct connection to public safety.

PROGRAM DETAILS:

- The Aqua Lung Public Safety & Institutional program is open to all Authorized Aqua Lung dealers
- All sales must be transacted through an Authorized Aqua Lung Dealer
- All sales must be for operational or educational use and not for recreational diving
- Requires documentation of an official department/institution purchase order
- Qualifying Institutions include: Public Safety Units, College and Universities, and Non-Profit Organizations
- Possession of a Public Safety & Institutional Price List does not constitute an offer to sell
- Aqua Lung reserves the right to accept or reject all offers
