

# Evidence Recovery Operations

Hosted by the Elk Grove Village Fire Department /  
MABAS Division 1

Elk Grove Village, IL ~ October 24-26, 2017

The Evidence Recovery Operations Specialist is specially trained in more advanced search and recovery techniques. Students will learn how to deal with crime scenes and the difficult task of evidence preservation. This program introduces students to advanced search patterns, evidence collection, crime scene equipment and management.

## Course Topics

- Advanced Search Patterns
- Use of Underwater Metal Detectors
- Crime Scene Photography and Videography
- Processing the Scene
- Firearms and Vehicle Processing

## Tuition

Tuition for this 3 day program is \$400.00.  
Payment is required for registration.

## Prerequisites

All students must be a current member of a public safety agency, at least 18 years of age. Students must read and complete a RSTC medical statement prior to attending class. Any diver answering yes to a contraindication must have a physician's signature to participate in the diving portions of the program. Diving personnel must also have open water certification. Please make sure to present your RSTC Medical Statement to your instructor at the beginning of class.

This program is designed for personnel who are physically fit. Participants are encouraged (*not required*) to participate after successfully completing the IADRS Watermanship Test or testing to a fitness level of 13 MET (Metabolic Equivalents) or greater. Participants with aerobic fitness questions or concerns should consult their physician prior to in-water training. Participants who have poor aerobic fitness may attend this program as surface support personnel with the approval of the instructor.

# Evidence Recovery Operations - October 24-26, 2017
